

IN CONVERSATION

Northampton Men's Sheds - Bulletin January Ed.1 2018

Dear Shedders

1 ShedMeet January 16th 11.00 am

Our success as a Shed relies on all members sharing discussion of current matters.

Through our monthly ShedMeet, members decide jointly what is to be done and how we will do it.

Your Shed needs you to participate

PLEASE JOIN US ON TUESDAY IF YOU POSSIBLY CAN

This is the opportunity for you to put your suggestions to members and to pose questions. At this ShedMeet I am hoping for the conversation to include:

- progress on the workshop up-date,
- Safety and Training
- Timber donation and storage,
- NBC Showcase (29th)
- Shed 2 Campaign

We are all still learning this way of running an organisation of volunteers. I propose that we list short statements of all that we resolve at every ShedMeet.

2 Membership Badges

These are important for ID purposes and also essential for those, like myself, who have difficulty remembering names. I remember Dale Carnegie (of 'How to win Friends and influence people' fame) suggesting that the words that are most important to us are our own names. Badges help feed familiarity in the time it takes to get to know one another.

We have fallen behind in the production of badges. If you are still waiting for your Badge, Dave McLachlan is waiting to take your photo, so please find him next time that you are at the Shed.

My list of those waiting for their Badge include:

Hars Samrai, Phil Osborne, John Craic, Mike Marvyn, John Cathro, John Lynn, Peter Witt, Michael Yates, Eric Westwood, Terry White, Ivan Westwood, Clive Taylor, Malcolm Terry and David Windhaber
